Bituminous & Concrete Testing Schedule

Client :	**MATtest Project ID :**	**Scheduled By :**	MATtest Limited materials testing & consultancy
Client Project ID :	**MATtest Batch Number :**	**Date Scheduled :**	
Project Title :	**Contamination Status**	**Checked By :**	
		Date Checked :	

Sample Information					Bituminous Tests											Additional Information	Concrete Tests					Additional Information
Sample Reference	Core Reference	Top Depth (m)	Base Depth (m)	Sample Type	Binder Content	Binder Content & Grading	Maximum Density	Bulk Density (Dry)	Bulk Density (SSD)	Bulk Density (Sealed)	Percentage Refusal Density (single)	Percentage Refusal Density (set of 2)					Compressive Strength	Diameter (mm)	Drilling Direction	Curing procedure	Sub-coring required	

Remarks	
General test requirements :	
Bituminous specific test requirements :	
Concrete specific test requirements :
